- 4. To secure the lenders of SCI Forbes Limited (SFL), a joint venture entity, amongst other undertakings, two of the joint venture partners, including the Company, had to, sign a standby charter agreement, under which, in the event the vessels were not on charter with a lender approved third party at anytime during the pendency of the loan, two vessels each would come on automatic charter to the joint venture partners at rates specified in the standby charter agreement. Immediately thereafter the global financial crisis occurred with shipping being badly hit with charter rates crashing. The lenders sought a change in some commercial terms for agreeing to approve charterers and other forms of vessel deployment. Whilst this negotiation was going on, the loan covenant had got activated and the Company (as also its other JV partner) had to take the vessels on charter at standby charter rates and deploy them on market rates resulting in the loss figures indicated in the footnote. With effect from 1st July, 2011, the aforesaid standby charter agreement has been suspended and consequently the ships have been re-delivered by the Company as also by the joint venture partner to SFL.
- 5. a) There have been teething problems in the New ERP system implemented with effect from 1st April, 2010 in the Shipping and Logistics Division. The Management is in the process of detailed review and reconciliation of account balances of sundry creditors / customers' credit balances / advances aggregating Rs.1,959 Lakhs; sundry debtors aggregating Rs.1,043 Lakhs and loans and advances aggregating Rs.1,091 Lakhs. This was a subject matter of qualification in the audit report for the year ended 31st March, 2011 and continues to be a subject matter of qualification in the limited review report for this quarter ended 30th June, 2011. The Management expects that the net effect on the profit and loss account would not be material on completion of exercise.
